**Kokomo Women's
Bowling Association**

sixth edition

Hello again Everyone.....

Welcome back to another fun filled season of bowling. Now that Summer has finally caught up with us, it is time to think about getting those leagues going again.

Just remember to ask someone who has never bowled before to join a league. If we all asked someone and succeeded, we could double the number of members to the sport of bowling in our fair city. We could only hope that the sport of bowling could be as wide spread and loved as basketball in the great state of Indiana. We could call it Bowling Hoosier Hysteria. WHAT A THOUGHT!

This year, we have several things to mark on your calendar. The Mount Carl night is back. Everyone seemed to enjoy it so much last year, we are in the process of planning it again this year. The date is October 4, 1997, starting at 6:00 p.m. It will be held at Lowry's West. There are a limited amount of tickets so get them

while they are ~~hot~~!! Membership Development is in the planning stages of having several bowling clinics for every average person out there. More details will be forth coming through your league representatives. Don't forget to get involved in the City tournament as well as the 600 and 500 Club tournaments. If you are a computer nut check out the KWBA <http://www.netusa1.net/~kwba> The KBA Web Page is <http://www.netusa1.net/~jpkelley>. There is plenty of information for you. (Thanks to Delores and Mack Johnson for all their hard work on the KWBA web page)

How many of you realize that you belong to one of the largest organizations in the world? Well.....it is true. Through the Strike Ten and Bowling Inc., which are a culmination of all the bowling organizations, there is going to be some rather impressive things happening in the next few years. This means for the youth and up. So get involved in the process. There will be a questionnaire circulating through your leagues to help us to better serve you and help bowling be more fun for all.

To my board of directors and officers, I want to take the time to say thanks for all your hard work last year. You are the backbone of this organization, along with all our members that make KWBA what it is today. With your creative thought processes and love of bowling, you have given from the heart and made me proud to be president of this great organization. I applaud you all from the balcony. I cannot wait to see what you create this year.

Now let's go bowling
Your President,
Connie Henlser

KOKOMO WOMEN'S BOWLING ASSOCIATION

1996-1997 AVERAGES FOR KWBA SANCTIONED LEAGUES

LISTED BY BOWLING CENTER AND LEAGUE CODES

Listed on the next few pages are the Bowling Centers and the leagues in their establishments that were sanctioned by KWBA. A two letter code is assigned to each establishment, (CC, EG, LE, LW) and then a number 001,002, 003, etc. to indicate a league bowling at the particular establishment: THUS CC001 would indicate Cedar Crest Over the Hill Gang, Sr. league. This code is used after bowler's name in the average list to indicate the number of games and her average in each league in which she bowled at least 21 games.

Each sanctioned bowler is listed with her average in all the leagues she participated with 21 games or more. Any average of 21 games or more NOT INCLUDED in the Average List may be the result of failure by the league secretary to report them, inadequate identification of the bowler's name, or **failure to sanction the bowler.**

If you have any questions regarding the Average Listing, please contact the City Secretary at 628-0513.
